CONFIRMATION OF COMPLIANCE

for Food Contact Materials Guide

For the below mentioned product(s) we hereby confirm that it/they essentially follow the requirements of the German Commodity Ordinance, article 2, Council Directive 84/500/EWG (15 October 1984) regarding the alignment of the legal provision of all member states concerning items of ceramic which are meant to be in contact with foods, changed by EU commission directive 205/31/EG (29 April 2005), (EU) 2023/2006 and the EG directive 1935/2004. Separate tests for custom-made products can be carried out on request.
