

Management Board of the KÖNITZ Group

REACH Declaration

The companies of the KÖNITZ Group are mainly producers of porcelain and ceramics. You are purchasing porcelain and ceramic mugs. The products of our assortment that you are purchasing should under normal circumstances and reasonably foreseeable conditions of use not release any substances. The KÖNITZ Group is thus governed by the requirements according to REACH - Art.33. That means our products exceed the value of 0,1% and are not classified as chemicals of concern by the European Chemicals Agency (ECHA) as a result. Consequently, we can confirm as per today that there are no chemicals contained in our products which are to be found on ECHA's candidate list of substances.

Regardless of the above, we are pursuing a strict implementation and adherence to REACH by all of our suppliers; for own interest as well as to safeguard a high level of product safety for our customers. We are in close contact with our suppliers of pre-products and will involve them in our supplier qualification.

The KÖNITZ Group is rendering this statement to the best of our knowledge, which is why any warranty claims herefrom could only be lodged indirectly. Please do not hesitate to contact us should you have further questions concerning this matter.

Best regards,

Turpin Rosenthal
